

ALL COMMUNICATIONS  
IN ONE LOCATION !

## Products

WE CUSTOM DESIGN  
FOR YOUR SPECIFIC NEEDS!

Are your radios compliant with the  
new FCC regulations?  
We can tell you. We can help!

New Federal Communications Commission (FCC) regulations now state that all 2 way radios operating in the United States must be narrow band compliant. Radios operating illegally could be subject to fines up to \$10,000.00 per day. Please call us today to determine whether your radios are compliant with the FCC.
